SUMMARY

Motivated 4th-year Software Engineering student seeking an internship opportunity to apply and expand skills in backend development using Spring Boot and frontend development with Angular. Eager to learn and contribute to real-world projects, with a strong foundation in software design, problem-solving, and collaborative teamwork. Passionate about building efficient, user-focused applications and continuously improving through hands-on experience.

WORK EXPERIENCE

ENDA INTER-ARABE: Internship – Research and Development Department   **July/2021 - Sept9/2021**

- Research and Development Department

  The Research and Development department at ENDA INTER-ARABE focuses on innovating solutions to improve financial inclusion, social entrepreneurship, and community development. It conducts impact studies, develops digital tools, and supports strategic decision-making through data analysis and field research.
